Part A: Pupil premium strategy plan

Statement of intent

The Pupil Premium Grant is additional funding for publicly funded schools in England; it comprises of a Pupil Premium and a Service Pupil Premium. The Pupil Premium is granted to raise the attainment of disadvantaged pupils of all abilities and close the gap between them and their peers. The Service Pupil Premium is granted to support children with parents in the armed forces and is mainly for pastoral support during challenging times and to help mitigate the negative impact on service children of family mobility or parental deployment.

It is Valley End's intention that the pupil premium grant will be used to ensure that qualifying pupils are not disadvantaged academically or pastorally in comparison with their peers. The grant will be used to ensure that the unique needs of individual children are met and that they thrive and achieve the same academic success as their peers. Pupils eligible for the pupil premium grant will be given full access to all enrichment activities. Our focus is to provide quality teaching for all individuals and groups, no matter their background.

We recognise that pupils who are eligible for pupil premium are individuals and their needs are all different. Therefore, all strategies that we use to raise attainment will take these needs fully into account. We will use high quality teaching and learning to narrow the gaps and utilise interventions with proven evidence of impact to assist those pupils who need additional support.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Ensuring pupils meet at least expected levels in reading and writing and make accelerated progress.
2	Ensuring pupils meet at least expected levels in maths and make accelerated progress.
3	Engaging pupils in enrichment activities.
4	To develop resilience and independence.
5	To ensure pupils with speech and language difficulties are identified early and intervention put in place to meet needs.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching

Budgeted cost: £ 1848

Activity	Evidence that supports this approach	Challenge number(s) addressed
Train an additional member of staff as an ELSA.	Social emotional learning intervention has 'an identifiable and significant impact' on pupils' progress.	4
Train a member of staff in Lego therapy.	EEF states that 'small group tuition is most likely to be effective if it is targeted at pupils' specific needs'	4, 5
ELSA trained staff to attend ELSA briefing meetings.	As above	4
All new staff to be trained in White Rose maths scheme to teach maths.	EEF states- Quality of teaching is one of the biggest drivers of pupil attainment, particularly for those from disadvantaged backgrounds.... proven ways of improving teaching, such as tried and tested continuing professional development courses and feedback methods (will aid this).	2
All new staff to be trained 'Little Wandle'.	As above	1

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

- All children in receipt of pupil premium have reached age related expectation in reading apart from one Y2 pupil who had made accelerated progress.
- All children in receipt of pupil premium have reached age related expectation in writing apart from one Y2 pupil who had made accelerated progress.
- All children in receipt of pupil premium have reached age related expectation in maths apart from one Y2 pupil who had made accelerated progress.
- All staff have received positive touch training and pupils are kept physically safe using the skills learned.
- Pupils in receipt of pupil premium who accessed ELSA sessions demonstrate an improved resilience and are able to articulate strategies they can access in order to help themselves.
- 100% of pupils attended the school visits and in school enrichment activities that were provided.
- All pupils were offered the opportunity to enrol in an enrichment (extracurricular) club of their choice. Not all parents took up the offer but those that did have shown an increased independence and self confidence in the areas they chose.
