

Phonics	English	Maths	Expressive Art and Design
<p>In Phonics this half term we will continue to learn the Phase 2 sounds. We will then be focusing on sound blending to read CVC words. We will also be writing simple words by segmenting the word into sounds.</p>	<p>In English this half term we will be learning 'The Nativity'. We will be learning these texts using different actions and creating story maps. We will then use this to explore and retell the story.</p>	<p>In Maths this half term we will be focusing on numbers 1-5. We will be looking at the composition of these numbers and how they are made up to gain a deep understanding. We will also be looking at counting to 10 using 1-1 correspondence.</p>	<p>In art this half term we will be looking at Pissarro's season paintings. We will be exploring which colours show us different seasons. We will also be singing in a group as we move closer to Christmas.</p>
<p>Understanding of the World</p>	<p>Communication and Language</p>	<p>Personal, Social and Emotional Development</p>	<p>Physical Development</p>
<p>In Topic this half term we will be learning about transport. We will be looking transport in the past compared to the present and how this has</p>	<p>The focus of communication and language this half term will be showing an understanding of prepositions such as</p>	<p>The focus of PSED this half term will be how we can work as a team. We will be working together and practising how to take turns. We will also be</p>	<p>This half term we will develop our fine motor skills by using small tools. The children will be drawing maps, transport and creating models. In PE</p>

<p>changed over time. We will also be discussing how we can stay safe whilst travelling. Please see the Knowledge Organiser below to see which vocabulary we will be focusing on this half term.</p>	<p>'under', 'on top', behind etc. We will also be asking and answering questions to find out information. We will be using vocabulary, from recently read stories in conversations.</p>	<p>discussing kindness and how we can help others and make good choices.</p>	<p>we will be working on our spatial awareness and coordination games. We will be dancing to music, moving with control around the floor.</p>

Transport

transport around the world

tuk tuk

gondola

dog sled

George Stephenson invented the steam engine in 1829 – nearly 200 years ago

past

present

future

What will transport be like?

pilot

astronaut

journey

when we **travel from one place to another**

transport

when we **travel using a vehicle**

road safety

rules to keep us safe when we travel

technology

using what we know to **make things that can help us**, vehicles all use technology

invent

to **create something new**

car driver

sailor

train driver
