

Providing additional spelling practice: Phase 5 review

Repeated practice of spelling helps children move their new learning into their long-term memory. Use the weekly spelling sheets below to support this additional practice. Keep the sessions short and fun! You may wish to refer to the spelling routines outlined in the 'How to' video and Prompt card 'Practise and apply: Spelling'.

What to do

- Give each child a copy of the sheet for the relevant week.

Decodable words

- Ask the children to:
 - Read the words.
 - Add the sound buttons (dots and dashes).
 - Write the words in their spelling books.
- Do a spelling quiz as a whole class or in pairs. Remind the children to sound out and segment each word before they spell it.

Tricky words

- Ask the children to:
 - Read the words.
 - Circle the tricky bits.
 - Write two tricky words that they need to practise in the blank boxes. (Or you can add these for them in advance.)
 - Write the words in their spelling books.
- Do a spelling quiz as a whole class or in pairs. Remind the children to sound out and segment each word before they spell it, thinking carefully about the tricky bit.

Additional dictation

- Challenge the children to write short, dictated sentences. The **Sentences for additional dictation** sheet lists the sentences that the children have read in class in each week. You may wish to practise writing sentences from a few weeks before.
- Remember, the purpose of these dictations is to practise accurate spelling, not punctuation. The sentences from the weekly grids have been simplified for this reason.
- Use the dictation routine as outlined in the 'How to' video and Prompt card 'Practise and apply: Write the sentence'.
- Make sure that you model and check the correct spelling of the sentence.
