

Year 2 Learning Objectives

Autumn Term w/b Monday 6th November 2023

This week in school we will be learning...

English – To identify different habitats in stories. To draw our own story maps changing the habitat and animals. To be able to correctly use exclamation marks and speech marks in our writing.

Maths – To subtract from a ten. To subtract across a ten. To find 10 more and 10 less. To add and subtract 10s.

Foundation learning

Science – To know that every plant and animal has a habitat.

Geography – To know what is located on the site of my school.

PSHE – To recognise and explain how a person's behaviours can affect other people.

PE (netball) – To perform a range of actions with control of the ball

RE – To understand why Christians give
