

Year 1 Learning Objectives Summer term W.C. 10th June 2024

This week in school we will be learning...

Maths - To investigate position and direction. To count from 50-100. To count in 10s to 100.

English - To use capital letters correctly. To describe a story setting. To create a character description. To use different sentence openers.

Foundation learning

Music - To listen, appraise and perform a song with instruments.

PSHE - To know how my body has changed since I was a baby.

RE - To know that Hanukkah is an important story for Jewish families

PE - This week children will be preparing for their sports day races.

History - To know that Kings and Queens have a coronation

Science - To identify the properties of materials.

ICT - To choose a command for a given purpose

Home Learning

1 - Please see the home learning matrix which has been sent out. Let your class teacher know if you require any more paper.

2 - Any extra spelling practice will help your child in their phonics lessons - spellings have been stuck into their spelling books or put into their book bags,
