

Dear Parents and Carers,

While your child is not in school on Wednesday and Thursday, we have put together some suggestions for remote learning activities that they might like to complete.

Year 2

1. You will find the Year 2 SATs information Powerpoint and links to previous SATs papers on [the WeTransfer link](#) in the ParentMail message. Please have your child work through a:
 - Reading Paper.
 - Maths Paper
 - SPAG (Spelling, Punctuation and Grammar) paper.
2. We have also sent home a measuring sheet for them to complete.
3. In class they have been learning how to write a persuasive advert – can they write one to persuade people to come to Valley End School?
4. Reading.
